Case - Timothy N. Pfeiffer,

Subject - Homicide, New Brunswick, N.J.,

Operative - 312.

312/Rinehart

George St., New Brunswick, N.J. While in the pool room, Operative overheard the following remarks:- "Well it is very funny that Schneider was the lad to find the bodies first, and then he tried to frame young Hayes. What they should have done was to hold Schneider at the start and make him explain how he found the bodies, and also how he happened to be about the place." Another fellow was overheard to remark:- "Yes, that fellow Schneider knows more about it than they think he does - If the truth was known he might have been mixed up in the Case, as he is very familiar with the place and its surroundings, and some of the people that go up there."

Operative left the pool room at 11.10 p.m., proceeded to his room, and discontinued.
